

OFFICE OF THE DISTRICT ATTORNEY GENERAL

GLENN R. FUNK
District Attorney General

January 30, 2025

Special Agent Logan E. Corbin
Tennessee Bureau of Investigation
901 R.S. Gass Blvd.
Nashville, TN 37216

RE: Case No. NA-SU-000068
(O-A) Adam Joseph Rodriguez
(LE-A) Pierce Garrett Moore

Dear Agent Corbin:

Thank you for meeting with me about this matter. On behalf of the District Attorney's Office I would also like to thank you for the investigative report you prepared. I believe the report contains all the relevant facts pertaining to this incident as well as all available video recordings, such that no further investigation by the Tennessee Bureau of Investigation will be necessary.

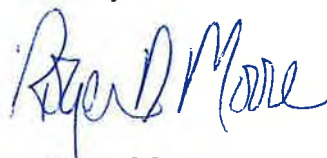

After reviewing the investigative file and discussing it with you, it is the opinion of this Office that the actions taken by Metropolitan Nashville Police Officer Pierce Garrett Moore were reasonably necessary under all the facts and circumstances. Officer Moore initially responded to the location where the deceased had committed a violent crime, to wit: Carjacking with a firearm. Officer Moore, through information obtained at the scene of this crime, was able to alert other officers which allowed the stolen vehicle to be located quickly. Officer Moore followed the vehicle until it came to a dead end on 10th Avenue North. Officer Moore then pursued the fleeing suspect who was armed with a pistol. Officer Moore, as his BWC footage shows, repeatedly gave verbal commands for Mr. Rodriguez to drop the weapon. Mr. Rodriguez did not comply and when he began to raise his weapon, Officer Moore was prompted to discharge his service weapon, striking and fatally wounding Mr. Rodriguez.

CRIMINAL DIVISION • 20TH JUDICIAL DISTRICT • DAVIDSON COUNTY

Washington Square, Suite 500 • 222 2nd Avenue North • Nashville, TN 37201-1649
Tel. 615 862-5500 • Fax 615 862-5599

Based upon the facts developed by your investigation and contained in the TBI case file, Officer Moore's actions were legally justified under Tennessee law. The District Attorney's Office respectfully requests the TBI close the above referenced case. The evidence collected pursuant to this investigation will not be needed for prosecution and it may therefore be disposed of in accordance with TBI policy and procedure. Thank you again for conducting this investigation and please let me know if you have any questions.

Sincerely,

Roger D. Moore
Deputy District Attorney General

I WAS DISPATCHED TO GO HELP WITH THE OFFICER INVOLVED SHOOTING THAT TOOK PLACE ON 10/04/2024 INVOLVING ADAM RODRIGUEZ AS THE SUSPECT. WHEN I ARRIVED ON SCENE, I WAS DIRECTED BY COMMAND TO GO AND RELIEVE ONE OF THE CENTRAL B DETAIL OFFICERS FROM INSIDE THE HOUSE AND BE WITH THE SUSPECT'S FAMILY. I WENT INSIDE THE HOUSE AND THE OTHER OFFICER LEFT. WHILE INSIDE THE HOUSE I NOTICED ONE BULLET HOLE THAT HAD COME THROUGH THE BOTTOM OF THE WALL DOWN WHERE THE WOOD TRIM LIES. DURING MY TIME INSIDE THE HOUSE, I MADE SURE NOTHING FROM THE CRIME SCENE WAS ALTERED BY THE FAMILY. THE MOTHER OF THE SUSPECT ASKED IF I WANTED A SEAT OR A DRINK OF WATER, I SAID NO. THE MOTHER OF THE SUSPECT ASKED ONE OF THE DETECTIVES QUESTIONS ABOUT WHY EVIDENCE WAS MOVED OUTSIDE AND INSINUATING THAT THE TBI PERSONNEL WERE CHANGING THINGS TO ALTER THE CASE. THE MOTHER POINTED OUT A BULLET HOLE IN THE CEILING TO THE TBI AGENT AND SUGGESTED THAT WAS WHERE THE BULLET MUST OF TRAVELED TO. THE TBI AGENT TOOK PHOTOS AND THEN I WAS RELIEVED BY COMMAND AND TOLD WE WERE COLLASPING THE COMMAND DOWN. I LEFT THE HOUSE WITH NO FURTHER ACTION OR INTERACTION WITH THE FAMILY.

On 10/04/2024 time unknown, shortly after being released from C detail roll call. A call for service came out asking for 10-37 code 3, based off the radio traffic it sounded like an officer involved shooting. I asked for the call, but by the time I got into my car and switched radio channels. It was clear there was enough units on scene to assist the officer. That night in West we were running 4 officer, so I took a signal 9 from the call.

(O-A) ADAM JOSEPH RODRIGUEZ, W/M, DOB: [REDACTED]

On November 14, 2024, at approximately 12:22 PM, TBI Special Agent (SA) Logan Corbin received an email from Sgt. Cary Briley with the Metropolitan Nashville Police Department (MNPD) with all training records and transcripts for MNPD Officer PIERCE MOORE. Due to Officer MOORE only being out of MNPD's training academy since October of 2023, his training file was very small, and his file did not include any use of force complaints or any other documentation relating to additional use of force incidents since the time he had completed the academy.

Additionally, SA Corbin received the remaining body-worn and in-car camera footage from MNPD Lt. Samuel Tetterton on November 20, 2024. SA Corbin had requested the in-car camera footage from Officer MOORE's patrol car along with the body-worn and in-car camera footage belonging to MNPD Sgt. Brian Brown since he was involved in stopping the vehicle that ADAM RODRIGUEZ had been driving on the evening of October 4, 2024.

All documents and video footage will be maintained by this agent in the working case file and will be available for review whenever needed.

On October 4th, 2024, at 21:08 hours, the Department of Emergency Communications received a call for service regarding a carjacking that occurred on Broadway near 7th Ave South. The caller, who was a passenger in the Uber, called police stating that a subject carjacked his Uber driver and described the vehicle as a gray Honda Odyssey. Shortly after the description was aired on the radio, an officer advised that he was following the vehicle and requested a marked unit get in front of him to attempt a traffic stop. At this time, I was already in the Central precinct on an unrelated assignment and began driving in their direction to assist. Shortly after, I heard officers stating that the subject parked the car and is fleeing on foot on 10th Avenue North near Garfield Avenue. As I got closer to that location, officers stated that shots were fired and that the suspect was in custody. As I got to the scene, I learned that Mr. Rodriguez was shot by an officer in the backyard of [REDACTED]. I exited my vehicle, grabbed my med kit, and ran to the scene to assist. As I approached the backyard, multiple officers were rendering aid to Mr. Rodriguez and I gave the officers my chest seals. I got on the radio and told officers to move their vehicles so that the ambulance can have an ingress and egress path cleared. I asked officers who was involved and Officer Pierce Moore answered and stated that he was. I took Officer Moore with me, asked him to deactivate his BWC, and sit inside my vehicle, MNPD vehicle 9302BB. Once Mr. Rodriguez was transported to the hospital, I remained on scene until command was terminated and assisted by getting an inner and outer perimeter set up, obtaining an injury code from Officer Michael Do , and assisting with scene security.

On 10-04-2024 I responded to this call, in an emergency capacity, from the East Precinct sector. By the time I made it to the area there were several officers already on scene and I heard a supervisor advise VIA radio that no additional officers were needed on the scene. I parked on the roadway near the scene momentarily, and then returned to the East Precinct sector. I did not have any involvement at the scene.

On 10-3-24 I responded to the area of an officer involved shooting and waited to be assigned a task. A supervisor on scene approached me and Officer Schulz and asked us to respond to Vanderbilt Medical Center due to the mother of the suspect having gone missing and assumed that was where she was headed. As directed I responded to the hospital and met with Officer Do who had rode in the ambulance with the suspect and ensured he was aware of the mother potentially coming to the hospital as well as ensuring that Vanderbilt Police had been informed. I then waited at the hospital looking for the mother with Officer Schulz and Officer Do until we were advised we were able to leave. Officer Do had obtained all items the suspect had on him and kept them in his possession in brown paper bags. Due to Officer Do having no other transportation from the hospital I drove him and the suspects belongings, which were being held as evidence, back to the area of the incident where he took the items with him and to a supervisor at the scene. Once Officer Do left my car with the evidence and ensuring i was no longer needed I returned to my regular assigned patrol area.

On 10/04/2024 at approximately 21:09 hours, I was dispatched to a robbery call at the intersection of Rosa L Parks Blvd / Broadway. Upon arriving on scene, I observed a white Kia vehicle stopped near this intersection. I stopped behind the vehicle in my marked patrol vehicle and activated my emergency equipment. I made contact with the victim of the robbery and his passenger. I gathered the victim and passenger's information and questioned them in regards to the incident. The victim proceeded to inform me the suspect was in the white Kia that rear ended his vehicle. He advised the suspect proceeded to take his vehicle at gunpoint and left the White Kia at the scene. I stood by with the victim, passenger, and vehicle until I was relieved of my post by Entertainment District Unit officers. On 10/04/2024 I responded to what was called in as an armed carjacking with a hostage after a traffic accident. An officers saw the stolen vehicle and started to follow it, and I started responding to the area of the call outs to assist. I started to respond to the area code 3 to assist. The termination point was called out on the radio and I started to head that way. I heard on the radio that shot were fired prior to my arrival on scene. I parked my vehicle on 10th Ave N and an officer had a female in handcuffs. He asked me to secure the female in my vehicle, I walked her to my vehicle and had her sit in the rear passenger compartment. I started talking to the female about the incident and she identified herself as Ms. Blake (TN [REDACTED]). She identified Mr. Rodriguez [REDACTED] and stated he was her boyfriend. Ms. Blake told officers that she came to his residence to pick him up and take him to rehab. She stated Mr. Rodriguez has just relapsed on drugs and has been acting erratic for about a week. When Ms. Blake got to Mr. Rodriguez's residence [REDACTED] he got into the front passenger seat of her vehicle and told her to drive. She said he just told her to turn left or right and she did not know where he was taking her. At some point she got to downtown on Broadway and rear ended a vehicle. Ms. Blake stated she ran out of her vehicle and jumped into the van, she rear ended, and told him to drive. The driver of the van did not drive away. Mr. Rodriguez got to the van and told Ms. Blake to drive the vehicle. She said she was not going to drive the vehicle. Mr. Rodriguez got into the driver's seat of the vehicle and drove off with her inside. When I asked if Mr. Rodriguez had a gun or if he pointed a gun at her when he first got into the vehicle, on 10th Ave N, she stopped answering questions and would not say if he did or not. She would not say what happened when the bullet was fired through one of the vehicles windows. She was taken out of handcuffs and sat on the curb outside the police vehicle to wait for detectives. Two gentlemen tried to get around the crime scene on the side of an abandoned church at 1600 10th Ave N. I left Ms. Blake with two other officers and I stood on the side alley of the church to hold the crime scene. I remained there until I was relieved.

Offense Classification: Officer Involved Incident
Reporting Detective: Anthony Chandler

October 4, 2024

Initial response to scene

On October 4, 2024, I was notified of an officer involved incident at 10th Ave N. I responded to the scene which was located at [REDACTED]. This address was later determined to be the residence of the suspect. When I arrived, I was informed that the TBI was already on the scene and conducting interviews. I spoke with Lt Dewalt and was directed to Sgt Brian Brown who provided the information known at the time. I was provided the name of the suspect.

Adam Rodriguez

The suspect had been transported to Vanderbilt emergency room by Nashville Fire Department where he was declared deceased. I was provided a brief recount of the events that occurred. The suspect was involved in a domestic argument with his girlfriend Aiyana Blake in her Kia Soul while traveling on Broadway. The suspect used the Kia Soul to strike a Honda odyssey van in the rear. The suspect then forced the owner from his van at gun point. The suspect then forced Blake into the van at gun point and fled the scene. Officers were able to track the vehicle on Charlotte Ave with help from the owner. The suspect refused to stop when a stop was attempted. During the pursuit officers were able to deploy spike strips to stop the vehicle. The spike strip did successfully puncture the tires of the van, but the van was not disabled. The vehicle was followed until it came to a rest in front of [REDACTED]. The suspect fled on foot to the rear of the residence. Officer Pierce Moore was the first officer to reach the van after it came to a stop. Officer Moore pursued the suspect on foot. Officer Moore encountered the suspect at the rear of the residence. The suspect presented his firearm and fired at Officer Moore. Officer Moore returned fire which struck the suspect. I was informed that there were approximately three ballistic injuries to the suspect. I was informed that Officer Moore was uninjured during the incident.

TBI had been designated as the lead investigative entity for the incident. Agent Logan Corbin was assigned as the lead investigator. Agent Chris Houk was already on the scene when I arrived and was interviewing the suspect's mother, Ada Sanchez. Agent Corbin arrived at the scene, and I advised him of the involved parties and the series of events as I was aware of at that time. I also observed that CIRT team members were at the scene. Detective Amanda Topping was assigned as the lead investigator for the administrative investigation. I was asked by Lt

Arevalo about the possibility of having MNPDCSI utilize a drone to take overhead photos of the crime scene. I advised that any processing by MNPDCSI would have to wait until TBI completed processing the crime scene. Agent Corbin was consulted by LT Arevalo and he stated he did not see any issues with MNPDCSI being called to the scene at this time to complete this task only. At this time, it was believed that the scene could be processed under a consent from the homeowner. Sgt Nielsen arrived at the scene, and I briefed him on the status of the investigation at that time. I was contacted by officers who were with the suspect at Vanderbilt hospital. I coordinated with TBI agents to receive the personal property that was transported with Rodriguez. I was made aware that Officer Moore's BWC had been downloaded and viewed. The video confirmed that Officer Moore had been fired upon by the suspect. During this I learned that the owner of the residence had revoked any consent for the crime scene to be processed. I provided a template to Agent Corbin for the search warrant to be written and obtained by him. I began to research the QMNI of the suspect Adam Rodriguez as well as the call text of the original call generated. I obtained two additional complaint numbers for offense reports to be completed in relation to the assault of the officer and the death of the suspect. I provided the information available contained in the call text to Sgt Nielsen as well as Captain Watkins. I was made aware that TBI agents planned for interviews that they wished to complete. These were planned to take place at North Precinct. The victim's mother had returned from Vanderbilt and reinstated consent for the scene to be processed. I remained at the crime scene as TBI processed the crime scene and collected evidence that was present. While outside of the residence I observed that the residence had video doorbells installed. I was informed by officers at the scene that the cameras had audio recording capabilities. Once the crime scene was processed completely processed by TBI, I walked behind the residence to view the crime scene myself. Once behind the residence I observed a small porch that was along the rear of the residence where a door was located. There was an area right in front of the door that was covered with blood. There were several items that laid around the blood where medical aid was rendered. Detective Topping was present in the crime scene competing her walkthrough as well. After completing my walkthrough, I exited the crime scene. Shortly after TBI released the scene. Arrangements were made by patrol for the van taken in the robbery to be towed. At this time, I left the crime scene.

October 5, 2024

I completed two offense reports related to the incident. 2024-0655112 documented the aggravated assault on a police officer listing Officer Moore as the victim. The second report 2024-0655107 was the death other report documenting Adam Rodriguez death. These reports were submitted electronically. I also made arrangements with Agent Corbin to coordinate any request for reports or any other information needed for his investigation to be provided by me as

On November 12, 2024, at approximately 10:45 AM, TBI Special Agent (SA) Logan Corbin travelled to the Metropolitan Nashville Public Police Department Headquarters located at 600 Murfreesboro Road in Nashville to obtain a USB Drive from MNPB Det. Anthony Chandler. Upon meeting in the lobby of MNPB HQ, Det. Chandler handed the USB drive to SA Corbin and explained that it held all of the different offense reports relating to the officer-involved shooting that occurred in Nashville on October 4, 2024. Additionally, he explained that the drive also contained most of the supplemental reports written by officers who had been on scene or who had helped out in some way, the CAD report from the incident, radio traffic recorded by Metropolitan Nashville's Emergency Communications Center, and a few additional miscellaneous reports which had relevance to the incident. Det. Chandler explained that the majority of the outstanding reports and bits of evidence that SA Corbin needed were on the USB drive, but that he would send any additional reports via email as they were completed or made available.

A property receipt was completed for the transfer of the USB drive to SA Corbin, and it will be serialized separately within the case file.

On October 4th 2024, I was at North precinct monitoring Central precinct air regarding a robbery vehicle that was entering North sector. I heard Officer Pierce Moore advise shots fired, and I immediately proceeded to the area of 10th Ave N and Garfield St. Upon arrival I ran to [redacted] where I saw other officers gathering and proceeded behind the house where I saw several officers rendering aid to a man laying non-responsive on the porch. The man would later be identified as Adam Rodriguez, who was the suspect in an armed car jacking in Central sector. After seeing several officers rendering aid and determining the immediate area was safe, I went back to the front of the house, where a sergeant ordered me to guard the front gate of the residence. I stood there for a period of time and had a brief interaction with Mr. Rodriguez's mother, who was upset about not being able to go to the hospital yet since she was still needed for questioning. Eventually other officers relieved me at this location, and I was then ordered by another supervisor to park my car at the intersection of Garfield St and Arthur Ave. I blocked the intersection and monitored for any vehicle and foot traffic coming through. Officer Moore's FOP attorney arrived at the intersection, and after checking with incident command, I allowed him to proceed through to the scene. I sat at this location until eventually being instructed to move my vehicle to the intersection of 10th Ave N and Garfield St as the perimeter was shrunk down. I remained at this location until command was terminated and I was released to continue my patrol duties.

On Friday October 4, 2024, I was working Bridgestone traffic branch, when dispatch put out a wreck on 7th and Broadway. Dispatch stated that a vehicle was taken from the accident at gunpoint. The vehicle was described as a white kia and driven by a male Hispanic. I saw a white Kia k5 going over the KVB Bridge. I followed the vehicle and made a traffic stop on the vehicle at Shelby and 11th Ave s. Dispatch then updated the information stating that the vehicle taken was a brown Honda Odyssey. Sgt. Brown stated he was behind the van at Charlotte and George L. Davis. I started my way to that location form Shelby. While listening to updates coming in while enroute they advised the vehicle was on Monroe near 12th Ave N. I was turning onto Monroe when the last update was the vehicle turned onto 10th Ave N. I made the turn to go north on 10th Ave N and got behind the marked unit. I watched the tire shred apart from the rim on the minivan and continue 10th Ave n. towards Garfield. Shortly after crossing over Garfield on 10th Ave N the vehicle came to a stop. I watched both the driver and passenger front doors open on the minivan. The officer in the marked unit initiated a foot pursuit of the driver. I rode passed the vehicle to attempt to catch up to assist in the foot chase. The suspect from the driver seat fled north and then went east in between two houses where I lost sight. I turned around and I contacted the female that was in the passenger seat. Not knowing the passenger' s full involvement, I detained the passenger. As I was putting handcuffs on the passenger, I heard multiple shots fired. Someone got on the radio and announced shots fired. I immediately attempted to the put the passenger into the marked patrol car. The vehicle was locked and had to standby with the passenger until additional units arrived. I gave commands to the Officer that arrived that I needed her secured in a car. As I was assisting the passenger to the marked vehicle another officer came running and stated they needed more chest seals. I went to the tour pack of the motorcycle and grabbed my small medic kit. I then ran to where I knew the suspect and Officer ran. I reached the side of the house where I saw the suspect lying on the porch on his back and handcuffed. The suspect had several bandages on him and a chest seal on the right side of his chest. I put my gloves on as another officer was giving chest compressions. I then moved close to the suspects mid-section and told the officer to let me know when he was tired, and I would take over. I then started chest compressions on the suspect. An officer brought a carrier to transport the suspect from the porch to the medics. I assisted sliding the bag under suspect in between compressions. I and three other officers carried the suspect to the front of the house where the medics were. Once we got the suspect was on the stretcher, I started compressions again on the suspect. I then assisted with staying with the passenger until detectives attempted to talk to her.

On 10/04/2024 Officer Winchell and I arrived on scene at 10th Avenue N at Garfield Street for an officer involved shooting. Upon arrival we were directed to move cars out of the way so the fire department could get through. After moving the vehicles I began putting up crime scene tape at the intersection. After putting up the tape I maintained security at the intersection to keep people from entering the scene. Officer Winchell and I were then told to stand outside [REDACTED] to ensure the subject's mother would not leave prior to being interviewed by TBI. Once she was interviewed Officer Winchell and I returned to our post at the intersection. We were relieved of our post by North Precinct Sgt. Hemminger.

On 10/04/24, I was in full uniform and assigned to the Entertainment District Unit as 24E51. While working, I heard dispatch air that an Officer needed "code 3" assistance. This code 3 request was related to an Officer involved shooting located at [REDACTED]

Upon arrival I saw paramedics and firefighters administering life saving measures to a male they had on their gurney. I was later able to identify this male as Adam Rodriguez DOB [REDACTED] through his Tennessee ID card [REDACTED]. Rodriguez was being wheeled into the ambulance. At this time I did not see any Officers with the firefighters so I jumped into the ambulance and rode with them to Vanderbilt Hospital. During the transport the firefighters retrieved Rodriguez's wallet and gave it to me. Inside his wallet was his identification.

Life saving measures continued as we arrived at the hospital. At 2155 the doctors made the decision to pronounce Rodriguez deceased. I remained at the location with Rodriguez's belongings until I was directed to bring them back to the scene. I was told my medical staff that Rodriguez had three bullet wounds to his chest, two to his right flank, two to his right buttock, and one to his wrist.

My BWC captured the ambulance ride up until Rodriguez's death. My BWC was then reactivated for chain of custody documentation until the belongings were turned over.

On the evening of 10/4/2024, I was working in my regular duty as a Violent Crimes Division Robbery Investigator. I responded to a call of a carjacking near 8th and Broadway. I originally was called to the scene where the van was recovered, but I then responded to interview the victims. After completing my interviews, I canvassed the area for surveillance footage. I was able to locate circumstantial footage that supported the victims' narrative of events. After briefing my chain of command, I returned to Hermitage to type up an email detailing the outcome of my investigation.

Based on my investigation, the carjacking occurred as reported, and the sole suspect of the carjacking was the subject apprehended by officers at the scene where the minivan was recovered.

On 10/4/2024 I responded to an Officer Involved Shooting near 10th Ave N and Garfield St. Upon arrival, I grabbed a "man sack," a device used to assist in carrying wounded patients, and brought it to the location of where Mr. Rodriguez was located. I stood by while 2 other Officers were giving aid to Mr. Rodriguez until I was able to get the "man sack" underneath Mr. Rodriguez. Once we got him loaded up, I assisted NFD personnel and other MNPD Officers in carrying Mr. Rodriguez to an NFD cot. Once he was on the cot, I removed his handcuffs so that NFD could better apply aid. I secured the handcuffs in my vehicle until Sgt. Mathes took custody of them and released me from the scene.

On October 10, 2024 I responded to [REDACTED] in regards to the officer involved critical incident. When I arrived on scene the suspect was detained and officers were rendering aid. While on the back patio an officer requested a supervisor inside the residence given the upset family member. I went inside finding the residents who were very distraught. I explained that this is an active crime scene no one can enter the area. I then requested an officer to replace my position inside while I found Officer Moore. I located Officer Moore inside a marked patrol vehicle near 10th Ave N/Monroe St. I held post outside this vehicle while command was established and run through the field captain. I was informed that Officer Moore was to be transported to North Precinct. I transported Officer Moore to North Precinct. Once Moore was cleared to go home I then transported him to his residence.

Cold Case Homicide Unit Supplement Report

Incident Number: 2024-0655112
Victim: Officer Pierce Moore
Offense Classification: Aggravated Assault
Reporting Detective: **Sgt. Robert C. Nielsen**

On Friday 10/04/2024, I was informed an officer was involved in a fatal shooting on 10th Avenue North near Garfield Avenue. The subject had shot at Officer Moore after fleeing from a vehicle he had allegedly taken in a carjacking. The subject was transported to the hospital where he was later pronounced deceased. I notified Captain Watkins as well as Cold Case Detective Anthony Chandler. Lt. DeWalt contacted me and advised he was assisting on scene. I contacted the Davidson County District Attorney's Office to advise them of the officer involved shooting (OIS). They determined the TBI to be the lead agency in the investigation.

I arrived on scene at 2308hrs. Upon my arrival, patrol officers had the scene secured. Violent Crimes Detectives (VCD) were present along with Detective Topping of OPA/CIRT (Office of Professional Accountability's Critical Incident Review Team). Homicide Detective Chris Cote was present and provided a synopsis of what he observed. TBI arrived and Agent Logan Corbin was designated as the agent in charge of the scene and investigation.

I learned the incident originally began when the suspect, Adam Rodriguez (Rodriguez), was in a Kia Soul with the vehicle's owner Aiyana Blake (Rodriguez's girlfriend). The two of them had some type of argument while driving. Ms. Blake and Mr. Rodriguez rear ended a Honda Odyssey (2024-0654916) on Broadway. Both exited their vehicle and Mr. Rodriguez carjacked the driver of the van (2024-0654751). Rodriguez then forced Ms. Blake into the van, at gunpoint, and drove off in the van. The van was spiked by MNPD officers before Rodriguez got to his mother's home at [REDACTED]. Rodriguez exited the vehicle and then ran onto his mother's back porch. Officer Moore arrived and as he approached the rear of the house, Rodriguez fired at Officer Moore who returned fire (2024-0655107, 2024-0655112). Rodriguez was struck and fell. Officer Moore was not struck by gunfire nor did he suffer any injuries. Rodriguez was pronounced deceased at the hospital at 2156hrs.

I was informed by Agent Houk that he would be seeking a search warrant to process the crime scene. However, at some point, Rodriguez's mother decided to give TBI consent to process the scene. I was present while the crime scene was processed. MNPD CSIS flew a drone over the crime scene as part of the investigation for OPA/CIRT. Other units ensured Ms. Blake's vehicle was towed from its location and a crash report was completed. I called the Medical Examiner's and spoke to Medicolegal Investigator Mary Gilreath. I provided the circumstances of the incident and Rodriguez's personal information.

I remained on scene until the crime scene was processed. I then walked the scene with OPA/CIRT. I observed no obvious bullet strikes in the house where Rodriguez had been. I observed blood on the concrete porch and on the glass door from the porch to the interior of the home. After all tasks at the scene were completed, I left the scene.

Location of Incident:	[REDACTED]
Victim:	Adam Rodriguez

NARRATIVE

On October 04,2024 at approximately 21:30 hours, I responded to [REDACTED] for Officer needs assistance call. While working the Octoberfest command at 8th Ave North and Jefferson Street, dispatch advised an officer was requesting 10-37 and shots had been fired. I responded to the call which was only two blocks over from my location. Dispatch advised the Officer was in the back yard of [REDACTED] was the third Officer to arrive on scene and assisted by doing the following.

Once I made my way to the rear of [REDACTED] I observed an unknown subject down in the corner of the deck. Two Officers were rendering aid to the subject and applying chest seals. I assisted by introducing light for the officers rendering aid and direction to other responding officers to secure the scene.

I instructed the officers rendering aid to move the victim into a position that would allow CPR. The two first responding officers continued to render aid while I instructed another responding officer to stand over the suspects gun, don't touch it and not to leave the gun unattended. At the same time as I gave instruction about the gun, the mother of the victim and additional subjects in the residence began to interfere. I instructed other arriving officers to secure the subjects in the house for interviews and that the house was now included as part of the crime scene.

Medics arrived on scene and expedited to move the patient out of the location and then to the hospital. Once the victim was removed, I instructed responding Officers to establish a large crime scene with tape. Responding supervisors responded and established command. At this time, I removed myself from the scene and remained on the perimeter till Cold Case arrived.

I did not have any conversations with the Officer who was involved in the shooting or question what had occurred. Upon arriving on scene, I had activated my body camera which captured all my involvement in the critical incident.

I (Officer Andrew Miller) responded to [REDACTED] after the initial incident had concluded. Once on scene, I stood by the suspect's girlfriend who was being held until TBI agents could speak with her regarding the incident that had occurred. Once she was released, I held the crime scene. After that, I wrote a VTR and vehicle hold form for the Honda that had been involved in the robbery. Once I was relieved from my post I drove Officer Moores car to central police precinct where the ICC could upload for investigators.

On 10/04/2024 I was patrolling on Rosa L Parks Blvd when I was advised that Central Precinct Officers were entering North sector following a 53PV vehicle. I then switched my in car radio to Central's air and listened for the most current location of the vehicle. I heard the officer on scene call out shots fired and I activated my emergency equipment at the intersection of Rosa L Parks Blvd and Dominican Dr. I then responded to Garfield St and 10th Ave N and made contact with the officers on scene. I heard an officer request more medical equipment and I ran to my patrol vehicle to retrieve my medical bag. I then went to the back of [REDACTED] I then entered the residence of [REDACTED] to assist in holding the scene as the porch door of the residence opens into the scene of the incident. I then assisted in maintaining a pathway for responding NFD personnel to enter the scene and transport the individual. I then returned to the inside of the [REDACTED] and assisted in holding the scene by preventing anyone from opening the porch door from the inside. I was then relieved by a C detail officer.

On 10/04/2024 at approximately 2136 hours, I responded to [REDACTED] in relation to an Officer Involved Shooting. I arrived on scene and ran to the backyard to assist. Once in the backyard, I was advised that more medical supplies were needed. I then ran back to my patrol car to retrieve my medical bag. When I arrived in the backyard the second time, assisting officers had provided the necessary medical supplies. I was then directed by supervisors on scene to stand in the crime scene and watch the suspect's firearm to ensure the security of it while the TBI and MNPID were completing evidence collection. Officer-Involved Shooting

On Friday October 4, 2024, at approximately 2105 hrs I was working a special event assignment at the Bridgestone Arena. My role was a supervisor over the traffic branch command. While preparing for egress of the event, we received radio traffic regarding a car crash/carjacking near Broadway and 7th Ave. The carjacked vehicle description was originally believed to be a white Kia, but quickly changed to a grey Honda Van. This information was aired over the radio, and I responded to the area to search for the carjacked Honda. At approximately 2120 hrs while traveling on Church St driving my unmarked MNPD vehicle (Navy Chevrolet Impala), I observed a vehicle matching the description (grey Honda Van). The carjacked van was traveling westbound on Church St from Rosa L. Parks towards I-40. The vehicle was traveling slowly as it had a flat front passenger-side tire. I confirmed the license plate of the carjacked vehicle [REDACTED]. The vehicle turned right onto George L. Davis and acted as if it was going to enter I-40, but at the last second pulled right and continued on George L. Davis. I noticed a pickup truck following the suspect vehicle. Both vehicles came to a stop at the redlight at George L. Davis and Charlotte Ave. I pulled up next to the truck and noticed two men that appeared to be intensely watching the vehicle while on the phone. I rolled down my window so they could see me in my MNPD police uniform. As they recognized me as an officer, they rolled down their window and said they were calling 9-1-1 because they thought he was drunk driving and that he had struck 3 things (not exact wording-see BWC). I told them that I would handle it

from here. I continued to follow the suspect vehicle while giving out direction and waiting for a marked MNP unit to arrive and take lead. The Honda continued to travel on George L Davis across Charlotte Ave and took a left on Josephine Holloway Ave. The vehicle went under I-40 and took a right on 12th Ave N. The vehicle stayed on 12th Ave N and a marked MNP vehicle/officer arrived behind me as we approached Jefferson St. As the vehicle turned right onto Jefferson St, I passed the vehicle while telling the officer to stay behind it as I was getting into position to deploy MNP issued spike strips. The suspect vehicle turned left onto 11th Ave N from Jefferson St. I paralleled the vehicle on 10th Ave N as the Officer gave directions on the radio. The suspect vehicle turned right onto Monroe from 11th Ave N when I was at Monroe/10th Ave N. I exited my vehicle while wearing a clearly marked MNP uniform. I retrieved spike strips from my trunk and as the suspect vehicle approached, I deployed the strip, making contact with the suspect vehicle tires. The officer was behind the suspect in a marked MNP police SUV and the suspect vehicle continued to flee. I continued to monitor the radio traffic as I picked up my spike strip and gathered it back in my trunk. I then proceeded to where the suspect vehicle stopped and the suspect fled on foot near [REDACTED]. As I arrived at that point, Officer Monroe and the suspect had already fled, Officer Joshua Hausman (Motions Officer) was present and directed me in the direction they ran. Officer Hausman stayed with a female that had frantically exited the suspect van. As I approached the stairs to go up into the yard, I heard approximately 4-5 gunshots. I observed a lady approaching from behind me and I was unsure where the shots were coming from. I asked the Officer where he was and he yelled back, giving me a sense of his direction. I then saw a light or flashlight and went towards where I thought he was between the house and fence. I then ran back to the front to get the exact address for other responding officers and the ambulance. As I arrived on the side-porch where Officer Monroe and the suspect were, I observed a gun, cartridge casings, the suspect lying in a pool of blood, Officer Monroe rendering treatment, and 3-4 unknown persons just inside the glass windows/door. The suspect was in a corner and there wasn't much room for another officer. I watched Officer Monroe's back while monitoring the other 3-4 persons as I wasn't sure if they were his family or what the exact circumstances were. As other

officers arrived and made contact with the 3-4 persons inside, I presumed the area was then safe and I assisted render aid to the suspect. I assisted with CPR and to get the carrier under the suspect. The suspect was moved to the ambulance and I awaited the direction from Command that arrived on the scene. For more details, please see my BWC.

On 10/4/2024 at 21:39 hours I received an officer involved shooting notification from the Department of Emergency Communication (DEC). The notification advised the incident occurred at 1606 10th Avenue N, and an ambulance had been requested for the suspect.

I immediately responded to the location as an Investigative Services Bureau representative. I made contact with Inspector Gourdin of the Major Crimes Branch and Captain Watkins of the Criminal Investigation Division via telephone while enroute to the scene. Upon arrival at the scene, I made contact with Captain Holden who was the on-scene incident commander. We discussed what division notifications had been made and discovered someone from the Domestic Violence Division needed to be notified.

I obtained keys for Officer Pierce Moore's police vehicle and ensured his in-car camera had stopped recording and was properly uploading. Sergeant Fondaw from the Body Worn Camera Division then arrived and took possession of Officer Moore's body worn camera (BWC). Assistant Chief Greene asked me to assist Sergeant Fondaw and to report back.

I then responded to MNPD HQ where I monitored the upload of Officer Moore's BWC into the Motorola VideoManager EL application. Sergeant Fondaw then restricted the video and shared it with the TBI investigator. I reviewed the footage from Officer Moore's BWC and reported my observations to members of the Executive Staff.

Prior to departing MNPD HQ I again made contact with Captain Watkins to see if his team needed anything. He advised they did not currently need anything, and I went out of service.

Description: Investigative Activity - Review of Vivint Security Footage from [REDACTED]

(LE-A) PIERCE GARRETT MOORE, W/M, DOB: [REDACTED]
(O-A) ADAM JOSEPH RODRIGUEZ, W/M, DOB: [REDACTED]

On October 10, 2024, SA Corbin reviewed the Vivint home security footage captured by one of the cameras affixed to the home at [REDACTED] Nashville, Tennessee. The video camera in question was mounted in an elevated position on the side of the home and was pointed directly at the side alley and raised porch of the home. The camera footage in question also has audio, so voices and conversation can be heard to a certain degree. SA Corbin received four videos from Stephen Lackey, a resident at the address, and all videos are from the night of October 4, 2024. None of the videos provided to SA Corbin contain a time stamp, so there is no way to definitely say what the exact time is in each video clip. Additionally, since the videos are recorded at night, the camera had switched to a night-time mode and only captured video in black and white.

The first video in question is fifteen seconds long and depicts the actual shooting involving MNPD Officer PIERCE MOORE and ADAM RODRIGUEZ. When the video begins, RODRIGUEZ is already on the porch of the home, and Officer MOORE is seen standing on the ground below the porch giving RODRIGUEZ verbal commands. During the fifteen seconds, Officer MOORE moves up onto the porch, gives additional verbal commands, and then the actual shooting occurs. Due to the angle and resolution of the camera, the firearm that RODRIGUEZ has in his hand cannot be seen.

The second video in question is thirty seconds long and depicts Officer MOORE rendering aid to RODRIGUEZ to include the application of a tourniquet. Additionally, the video depicts the first assisting officer arriving on scene to help Officer MOORE render aid and secure the scene.

The third video in question is one minute long and depicts four more MNPD officers arriving on scene to assist Officer MOORE. In the video, it can be observed that Officer MOORE is still attempting to render aid to RODRIGUEZ and some of the newly responding officers are ordered to retrieve medical or trauma bags.

The fourth and final video is one minute and thirty-eight seconds long and depicts Officer MOORE and three other officers still on the porch of the residence as aid is continually being rendered to RODRIGUEZ. Other officers can be seen returning to the porch bringing medical bags and trauma kits as they were previously instructed. Additionally, it can be seen and heard on the video that multiple MNPD officers are instructing the occupants of the home to back away from the door and windows near where RODRIGUEZ lay on the ground.

Description: Investigative Activity - Review of MNPD Officer Pierce Moore's Body-Worn Camera Footage

(LE-A) PIERCE GARRETT MOORE, W/M, DOB: [REDACTED]

(O-A) ADAM JOSEPH RODRIGUEZ, W/M, DOB: [REDACTED]

On October 11, 2024, at approximately 2:15 PM, SA Logan Corbin reviewed the video footage captured by Metropolitan Nashville Police Officer (MNPD) PIERCE MOORE's body-worn camera (BWC) in its entirety. The video in question is thirty-one minutes and nine seconds long and details PIERCE's initial dispatch to the scene of the reported carjacking of the Honda Odyssey minivan all the way until he is instructed to turn his body-worn camera off by another MNPD sergeant following the officer-involved shooting of ADAM RODRIGUEZ at [REDACTED]

[REDACTED] The following is simply a synopsis of the events depicted in the BWC and is neither a transcription of all the conversation heard nor an in-depth record of all actions depicted in the video. A copy of the BWC footage remains with the case agent and can be viewed in the event that there is additional need for review of the video.

Officer MOORE's BWC footage is time stamped and starts at approximately 21:08:50 on 10/04/2024. Despite video starting at this time, audio does not begin until a minute later due to the camera's rollback functionality; this functionality allows the BWC footage to start one minute prior to officer actually activating it as the camera is constantly recording and dumping video until it is requested to record and hold footage.

BWC video shows MOORE responding with his lights and sirens to the scene of the reported carjacking near the intersection of Broadway and Eighth Ave in downtown Nashville with an approximate arrival time of 21:12:00. Shortly after arriving on scene, MOORE is observed making contact with the victims of the carjacking, an Uber driver and his passenger. There is also a single vehicle still on scene near the victims, a white Kia Soul. The Uber driver, who can be identified in the video as a shorter Asian male, attempted to give MOORE information relating to how his vehicle was taken and descriptive information about his vehicle. Due to a slight language barrier, the Uber passenger, who can be identified in the video as a taller black male, begins giving MOORE a detailed account of how the suspects in the carjacking struck the Uber driver's minivan causing the two vehicles to pull to the side of the road. The Uber passenger can be heard telling MOORE that he and the Uber driver attempted to confront the occupants of the suspect vehicle, which was the Kia Soul, by telling them that they couldn't leave the scene since they had struck the Uber driver's vehicle. During this confrontation, the driver of the Kia Soul, which was a female, exited the Kia and the male passenger produced a handgun. The Uber passenger continued by telling MOORE that the male passenger of the Kia proceeded to use the handgun to threaten and steal the Uber driver's minivan while yelling at the female to get into the minivan. Despite the fact that the female was driving the Kia, the Uber

passenger stated that the male subject with the firearm was the one who got into the driver's seat of the minivan and drove away. The Uber passenger stated to MOORE that the female appeared to be scared, and that he and Uber driver simply allowed the male subject to take the van since he had a gun.

As MOORE is on scene gathering information relating to the carjacking, two more MNPD officers arrive to the scene to assist him. The white Kia Soul is confirmed by the Uber passenger as belonging to the two individuals who fled the scene in the Uber driver's minivan. Officers quickly notice that a phone is still sitting in the passenger seat of the Kia, and it is determined to likely belong to the male subject based upon the lock screen picture on the phone and the fact that male subject had been the front seat passenger in the Kia prior to the encounter with the minivan's occupants. Officer MOORE is also seen on video attempting to gather as much information about the Uber driver, his vehicle, and a possible direction of travel for the minivan.

At approximately 21:17:47 the Uber passenger realized that since the Uber driver left his phone in the stolen minivan, he would be able to track the phone, and subsequently the minivan, through the Uber application. Additionally, since the Uber app gives the passenger vehicle information regarding who is picking them up, the Uber passenger was able to give officers the correct tag number for the stolen minivan. MOORE is able to use this information to give other officers the minivan's tag number and approximate location so that an attempt could be made to locate the vehicle. At approximately 21:20:17, another MNPD officer can be heard over the radio stating that he has located the minivan in the area of Church St and George L Davis Blvd. The officer further elaborates that he is driving an unmarked patrol car and requests assistance from other officers in marked vehicles.

At approximately 21:21:09, MOORE departs the initial carjacking scene as two other officers offer to stay with the victims at that location. MOORE can then be seen driving his patrol car in an effort to catch up and intercept the stolen minivan and the other officer following it. It can be heard at approximately 21:22:05 that the other officer following the minivan states over the radio that stolen vehicle already has right front flat tire which is causing it to travel slowly down the roadway. Finally, at approximately 21:26:00, MOORE states that he was able to make contact and intercept the stolen minivan in the area of 12th Ave N and Jefferson St. MOORE takes over following the minivan from a short distance without the use of his lights or sirens. The officer in the unmarked patrol car states over the radio that he is going to try to get ahead of the minivan in an effort to deploy spike strips so that he can flatten more of the minivan's tires and discourage a pursuit.

At approximately 21:27:49, the other officer was successful in deploying the spike strips against the minivan and MOORE can be heard confirming that the vehicle's right rear tire begins to deflate. As MOORE continues to follow the minivan, he notes that it attempted to speed up after being struck by the spike strip, but that the tire started to disintegrate and fall apart shortly thereafter. Additionally, MOORE announces over the radio that the vehicle was traveling down 10th Ave N and quickly approaching a dead end. At approximately 21:28:38, MOORE finally initiates his emergency lights on his patrol car in an effort to perform a traffic stop on the stolen minivan. Within ten seconds of turning on his patrol car's emergency lights, the minivan comes to a sudden stop and the driver of the vehicle flees on foot.

Due to the driver of the minivan fleeing on foot, MOORE immediately gives chase right behind him. MOORE can be seen running up the steps of a residence, jumping a small gate, and making his way through an alley at the right-hand side of the residence. As MOORE pursues the

subject on foot, he gives multiple verbal commands in an attempt to get the male to stop running and drop his firearm. As MOORE makes his way through the alley and to the side of the home, he has his firearm out of his holster and observes the male subject sitting on the raised side porch of the residence. MOORE continues to give the subject multiple verbal commands to drop his firearm and even identifies himself as Metro Police. Once MOORE identifies the subject's location in the back corner of the porch and see's that he still has a firearm in his possession, MOORE makes his way up the steps and onto the raised porch as well. MOORE gives additional verbal commands for the subject to drop his firearm, but at approximately 21:29:32, the male subject begins to raise the firearm in his hand off the ground which prompts MOORE to fire his own weapon six times at the subject.

Almost immediately after the shooting, MOORE moves towards the subject kicks the gun away from his body. At approximately 21:30:00, MOORE places handcuffs onto the subject. Radio traffic can be heard in the video where other officers are asking MOORE what his exact location is so that they can come to his location and assist. MOORE only responds over the radio that he is on 10th Ave N, and that he is unsure of the house number. Due to this, MOORE is forced to come down off of the porch and wave down officers with his flashlight through the alley he had previously chased the subject through. Within approximately fifteen seconds, the first responding officer to assist MOORE finally arrives.

Once more officers begin to arrive on scene, MOORE can be seen rendering aid to the subject as he lay on the ground. At approximately 21:30:35, MOORE applies a tourniquet to one of the subject's arms. At approximately 21:32:30, MOORE applies a chest seal to a gunshot wound on the subject's back. At approximately 21:33:26, MOORE applies a chest seal to a gunshot wound on the subject's chest. At approximately 21:36:04, MOORE applies a second chest seal to another gunshot wound on the subject's chest. As aid is being rendered by MOORE and other officers, one officer is heard asking if the subject has a pulse, to which another officer replies that the subject does not have a pulse. At approximately 21:36:34, MOORE begins CPR and chest compressions on the subject. After about thirty to forty-five seconds, another officer offers to take over chest compressions from MOORE and they swap.

At approximately 21:39:19, MOORE can be seen walking through the alleyway next to the house and back down to the roadway as Nashville Fire Department Paramedics finally arrive on scene to transport the subject to the hospital for his gunshot wounds. MOORE is led away from the home by another MNPD sergeant and at approximately 21:40:00 MOORE finally shuts off his BWC at the instruction of that sergeant.

The following Agents were responding to the scene: SA Gaddes, SA Logan Corbin (case agent), SA Chris Houk, and SAC Savley.

While enroute to the scene, SAC Savley provided SA Corbin with the phone number for MNPD Captain Chris Holden. SA Corbin was able to reach out to Capt. Holden by phone who provided a small amount of preliminary information. SA Corbin was informed that the crime scene itself was quite small and contained, but that MNPD had set up a much larger scene to keep unwanted people or press out. Additionally, SA Corbin was informed that only one MNPD officer was involved in the shooting, and that the other involved subject was deceased and located at Vanderbilt University Medical Center.

INITIAL SCENE RESPONSE/ARRIVAL

At 10:37 PM, SA Houk was the first TBI Agent to arrive on scene. He began gathering information and conducting interviews. At approximately 10:52 PM, SA Corbin arrived on scene. SA Gaddes arrived on scene at 11:08 PM and observed the following. The temperature was 70° F, the dark sky was clear, and there was no notable wind. There were several MNPD marked patrol units parked along Garfield Street and 10th Avenue North. There was a yellow crime scene tape perimeter set up at the corner of Garfield Street and 10th Avenue North. There were MNPD personnel scattered throughout at the corner of 10th Avenue North.

At 11:40 PM, SA Gaddes received a briefing. The following information was relayed by MNPD personnel as well as SA Houk: ADAM RODRIGUEZ and his girlfriend were traveling in her vehicle on Broadway near 8th Avenue in Nashville when the two got into a domestic violence incident. This resulted in RODRIGUEZ firing one shot from a handgun through the windshield of the vehicle that he was driving. Shortly after this, RODRIGUEZ collided with a Honda Odyssey minivan, which was acting as an Uber, on Broadway near 7th Avenue. After the collision,

RODRIGUEZ exited the vehicle he was driving, forced the driver and passenger of the minivan out at gunpoint, and proceeded to flee the scene in the stolen minivan. MNPD officers were called to the scene of the carjacking and were quickly able to gather information that allowed them to locate the stolen minivan. At some point after being located, an officer with MNPD was able to use a "spike strip" to deflate two of the tires on the stolen vehicle in an effort to prevent it from continuing to flee. Officer PIERCE MOORE located the stolen minivan and began to follow behind it until it came to a dead end on 10th Avenue N. As soon as the minivan came to a stop, Officer MOORE exited his vehicle and gave chase of RODRIGUEZ. RODRIGUEZ ended up running around the right-hand side of the home located at 1606 10th Ave N and retreated up onto the raised concrete porch of the residence. Officer MOORE gave verbal commands for RODRIGUEZ to drop the firearm in his hand, but RODRIGUEZ failed to comply with these commands. Due to RODRIGUEZ's positioning, Officer MOORE followed RODRIGUEZ up onto the raised porch and continued to give him commands to drop the firearm in his hand. At some point, RODRIGUEZ began to raise the pistol in his hand which prompted Officer MOORE to discharge his own firearm at RODRIGUEZ, striking him multiple times. Once RODRIGUEZ was disarmed, Officer MOORE placed him in handcuffs and began to render aid until other officers arrived. RODRIGUEZ was immediately transferred to Vanderbilt University Medical Center by Nashville Fire Department Paramedics where he was pronounced deceased.

SA Corbin received consent to search the property located at [REDACTED] from Ada Sanchez at 1:08 AM. The consent pertained to the exterior areas of the residence unless ballistic evidence entered the residence. SA Corbin instructed that he would communicate with Sanchez regarding the interior of the residence.

INITIAL WALK THROUGH AND OBSERVATIONS

Upon entering the perimeter tape, SA Gaddes noted the following pertaining to the scene: the scene was dimly lit. Near the corner of Garfield Street and 10th Avenue North, there were two marked MNPD patrol vehicles as well as an unmarked MNPD vehicle. SA Gaddes was informed that these vehicles were uninvolved in the OIS. Located in front of [REDACTED], there was a gray Honda Odyssey van (license: [REDACTED]-VIN: [REDACTED]) parked on the northeast side of road. It was parked at an angle toward [REDACTED]. The front and rear passenger tires were flat. The passenger side door was open. There was a MNPD motorcycle Unit 6018 MH (license: [REDACTED]-VIN: [REDACTED]) parked in front of [REDACTED] on the southwest side of the road. This motorcycle unit was parked facing southeast toward Garfield Street. Marked MNPD Unit 9403BC (license: [REDACTED]-VIN: [REDACTED]) was parked in front of [REDACTED]. It was parked on the southwest side of the road. Perimeter tape was placed on the north side of the residence at [REDACTED].

The residence was surrounded by a short fence. There were five steps that led up to the entrance of the fenced residence from the sidewalk. Upon entering the fence, the shooting occurred on a covered porch located on the east side (right side) of the property. The covered porch appeared to be in between two separate parts of the home connected by a hallway inside the residence. There were four steps that led up to the covered porch on the northeast side. There was a gun and four spent cartridge cases located on the northeast side of the porch. There was an extensive amount of reddish brown stains (RBS) located on the southeast side of the porch adjacent to a sliding glass door to enter the residence. There were three defects located in the southeast wall above the RBS stains. There was a possible defect located along the bottom rail of the sliding glass door.

CRIME SCENE PROCESSING/DOCUMENTATION

At approximately 11:50 PM, SA Gaddes began setting up the Matterport 360 camera. After assembly, SA Gaddes began documenting the roadway and vehicles located outside the OIS shooting scene utilizing the Matterport 360 camera. ASAC Savley began documenting the same area with traditional photography. After consent was received for the property, SA Gaddes and SA Houk entered the property through a fence surrounding [REDACTED] and began documenting the area where the OIS occurred. SA Gaddes completed the documentation with the Matterport at 1:40 AM. SA Houk and SA Corbin carried out documentation through photography for the remainder of the time on scene. At 1:41 AM, SA Gaddes placed markers on the evidence. The following is a list of the evidence markers that were placed:

Marker #	Description
Marker # 1	Gun- Ruger SR45 [REDACTED] .45 Auto
Marker # 2	Spent Cartridge Case- Hornady 9mm Luger
Marker # 3	Spent Cartridge Case- Hornady 9mm Luger

Marker # 10	(1) Defect in Southeast Wall

Note: Marker # 5- Cartridge Case was located under the chair. Marker # 2 and Marker # 7- Cartridge Cases were located in the seam between the two pads of concrete.

The evidence was then measured into place utilizing the triangulation method by SA Gaddes, SA Houk, and SA Corbin. The following is a list of measurements documented for the evidence:

Marker #	Reference Point A	Reference Point B	Height
Marker # 1	14'1"	8'8"	
Marker # 2	14'7"	7'5"

Reference points A and B were chosen and were located at the northeast and southwest corners of the porch. The distance measured between reference points was 21'6".

SA Gaddes and SA Houk then began packaging and collecting the evidence located at the scene. The following is a list of the evidence and the time the evidence was collected:

Marker #	Time Collected/By whom

The evidence was secured and sealed.

When the gun was collected the following was noted: There were six live rounds located in the Ruger SR45 .45 auto gun [REDACTED]. There were five live rounds in the magazine and one live round in the chamber.

Upon entering the residence, SA Corbin located defects on the inside of the residence. At least one of the projectiles appeared to have entered the residence from the porch. After entering through the wall, the projectile appeared to have penetrated the ceiling.

SA Gaddes completed rough sketch diagrams of the overall location of the scene as well as a more detailed sketch of the OIS scene located on the porch.

CONCLUSION

At 2:31 AM, the evidence was given to SA Corbin to be transported and secured at TBI Headquarters located at 901 R. S. Gass Boulevard, Nashville, TN 37216. A property receipt was completed for the evidence collected from [REDACTED].

Homeowner, Ada Sanchez was present at the scene during the entirety of the scene processing. Sanchez only allowed SA Corbin to enter the residence to observe defects that were located inside. The scene was released back to Sanchez at the completion of the scene processing.

Agents left the scene at 2:37 AM.

A copy of the photographs taken on scene were forwarded to the case agent.

A copy of the rough sketches as well a final diagrams will be uploaded to the electronic case file.

A copy of the Matterport 360 camera data will be made available to the case agent.

Description: Preliminary Investigative Report

(O-A) ADAM JOSEPH RODRIGUEZ, W/M, DOB: [REDACTED]

(LE-A) PIERCE MOORE, W/M, DOB: [REDACTED]

On October 4, 2024, at approximately 9:53 PM, TBI Special Agent (SA) Logan Corbin received a phone call from Special Agent in Charge (SAC) Josh Savley, who advised of an officer-involved shooting in Davidson County that had occurred at [REDACTED] in Nashville, Tennessee. SAC Savley requested SA Corbin respond to investigate and advised that 20th District Attorney General Glenn Funk had requested TBI to investigate the circumstances of the shooting.

While enroute to the scene, SAC Savley provided SA Corbin with the phone number for Metropolitan Nashville Police Department (MNP) Captain Chris Holden. SA Corbin was able to reach out to Capt. Holden by phone who provided a small amount of preliminary information. SA Corbin was informed that the crime scene itself was quite small and contained, but that MNP had set up a much larger scene to keep unwanted people or press out. Additionally, SA Corbin was informed that only one MNP officer was involved in the shooting, and that the other involved subject was deceased and located at Vanderbilt University Medical Center.

Once on scene, SA Corbin gathered additional information relating to the shooting from other MNP detectives and officers who were present. Preliminary reports indicate that ADAM RODRIGUEZ and his girlfriend were traveling in her vehicle on Broadway near 8th Avenue in Nashville when the two got into a domestic violence incident. This resulted in RODRIGUEZ firing one shot from a handgun through the windshield of the vehicle that he was driving. Shortly after this, RODRIGUEZ collided with a Honda Odyssey minivan, which was acting as an Uber, on Broadway near 7th Avenue. After the collision, RODRIGUEZ exited the vehicle he was driving, forced the driver and passenger of the minivan out at gunpoint, and proceeded to flee the scene in the stolen minivan.

MNP officers were called to the scene of the carjacking and were quickly able to gather information that allowed them to locate the stolen minivan. At some point after being located, an officer with MNP was able to use a "spike strip" to deflate two of the tires on the stolen vehicle in an effort to prevent it from continuing to flee. Officer PIERCE MOORE located the stolen minivan and began to follow behind it until it came to a dead end on 10th Avenue N.

As soon as the minivan came to a stop, Officer MOORE exited his vehicle and gave chase of RODRIGUEZ. RODRIGUEZ ended up running around the right-hand side of the home located

at [REDACTED] and retreated up onto the raised concrete porch of the residence. Officer MOORE gave verbal commands for RODRIGUEZ to drop the firearm in his hand, but RODRIGUEZ failed to comply with these commands. Due to RODRIGUEZ's positioning, Officer MOORE followed RODRIGUEZ up onto the raised porch and continued to give him commands to drop the firearm in his hand. At some point, RODRIGUEZ began to raise the pistol in his hand which prompted Officer MOORE to discharge his own firearm at RODRIGUEZ, striking him multiple times. Once RODRIGUEZ was disarmed, Officer MOORE placed him in handcuffs and began to render aid until other officers arrived. RODRIGUEZ was immediately transferred to Vanderbilt University Medical Center by Nashville Fire Department Paramedics where he was pronounced deceased.

SA Corbin was sent this footage in an effort to provide investigators and members of the TBI with preliminary information to conduct their investigation.

On October 8, 2024, Sgt. Fondaw sent an additional form to SA Corbin to fill out and return to him which would allow him to release the remaining in-car camera footage and any other body-worn camera footage for SA Corbin's review in the case.

Description: Investigative Activity - Attended Autopsy of Adam Rodriguez

(O-A) ADAM JOSEPH RODRIGUEZ, W/M, DOB: [REDACTED]
(LE-A) PIERCE MOORE, W/M, DOB: [REDACTED]

On October 5, 2024, at approximately 9:30 am, SA Corbin traveled to the Medical Examiner's Office located at 850 RS Gass Blvd in Nashville, Tennessee to attend the autopsy of the decedent, ADAM JOSEPH RODRIGUEZ. Upon SA Corbin's arrival to the Medical Examiner's Office at 10:25 AM, contact was made with Dr. David Zimmerman, the attending physician for the autopsy.

Dr. Zimmerman was able to give more information and insight into the state of RODRIGUEZ's body, injuries, and specific causes of death. Dr. Zimmerman began by informing SA Corbin that RODRIGUEZ had six (6) gunshot wounds on his body. He elaborated that three of the wounds were in the chest area, one wound was in the right wrist, one wound was in the right thigh, and the final wound was in RODRIGUEZ's right buttock area. In addition to wound placement, Dr. Zimmerman informed SA Corbin that he could tell that three projectiles were still inside RODRIGUEZ's body.

Once some of the routine work was finished during the autopsy, Dr. Zimmerman returned to remove the projectiles from RODRIGUEZ's body. The first projectile was recovered from the right femur, the second projectile was removed from the right hip, and the last projectile was recovered from the right back/spine of RODRIGUEZ's body. Dr. Zimmerman showed SA Corbin each of the projectiles removed from the body and they appeared to be in good condition and consistent with a 9mm bullet.

When SA Corbin asked more questions relating to the specific wounds RODRIGUEZ sustained, Dr. Zimmerman was able to inform SA Corbin that one of the gunshots to the chest had struck his heart, and another one of the gunshots had struck his liver and one of the lungs. Due to these wounds, Dr. Zimmerman explained that RODRIGUEZ essentially bled out internally as 1200-1300ml of blood (equating to approximately 1/4 or 1/3 of what a normal body holds) was removed from his chest during the autopsy. After all pertinent information was gathered, SA Corbin departed the Medical Examiner's Office at approximately 11:29 AM.

Description: Interview - Audio - Officer Pierce Moore (MNPD)

(LE-A) PIERCE GARRETT MOORE, W/M, DOB: [REDACTED]
(O-A) ADAM JOSEPH RODRIGUEZ, W/M, DOB: [REDACTED]

On October 9, 2024, at approximately 10:40 AM, TBI Special Agent (SA) Logan Corbin and Special Agent Chris Houk interviewed Metropolitan Nashville Police Department Officer PIERCE MOORE in the Middle CID Conference Room located at TBI Headquarters in relation to the shooting he was involved in at [REDACTED] in Nashville, Tennessee. After proper identification and explanation for the interview, Officer MOORE agreed to give a formal interview with agents. Officer MOORE was also explained and signed a TBI Garrity Statement Waiver form prior to the interview being conducted. Also present with Officer MOORE was his PBA legal representation, attorney John Brown. The following is simply a synopsis of the interview conducted with Officer MOORE, and a copy of the audio recorded interview will be placed in case file for future reference or examination.

After SA Corbin explained the reason for the interview and went over necessary forms, Officer MOORE was asked to try and go through the entire sequence of events to include his call to the initial scene on Broadway, through the time that he was removed from the scene at [REDACTED] by other MNPD supervisors. MOORE began by stating that on the night of October 4, 2024, he was dispatched to the area of Rosa Parks Blvd and Broadway for the report of a robbery in progress. Information gained by MOORE at the time was that a male subject used a firearm to steal a minivan from an Uber driver. MOORE explained that he was the first officer on scene and began speaking to the Uber driver and his passenger immediately in an effort to obtain information about the robbery and the suspect. MOORE was told that another vehicle had struck the minivan driven by the Uber driver on the roadway which prompted both vehicles to pull over. After they had pulled over, a male subject exited the other vehicle and pulled a gun on the Uber driver and forced him from his own vehicle. At this time, the male subject with the gun entered into the driver's seat of the minivan and a female entered into the front passenger seat. After entering the minivan, the subject then fled the scene.

MOORE was informed that the Uber driver's phone was still in the minivan, so the Uber passenger was able to utilize his phone and the Uber app to locate the stolen minivan in real time. With this information, MOORE put the minivan's location out over the radio and another officer was able to locate the stolen vehicle in quick succession. After a second officer arrived on scene, MOORE then departed the initial scene of the carjacking to assist the officer who was actively following the stolen minivan. MOORE stated that a plan was being formulated for him to follow the stolen minivan so that the other officer could get further ahead to deploy a spike strip to deflate some of the minivan's tires and discourage a pursuit. MOORE further elaborated that

he was aware and kept in mind that the subject driving the minivan was armed with a firearm, and that he observed the subject's original vehicle had a bullet hole through the windshield when he was interviewing the Uber driver at the initial scene.

MOORE then continued by stating that spike strips had been deployed successfully on the stolen minivan as he was behind it and he could observe the tires begin to disintegrate and fall off the wheel. MOORE stated that as he followed behind the van, he observed that he was approaching a dead end while travelling down Tenth Ave N near the cross street of Garfield St. Knowing that the vehicle was approaching a dead end, MOORE stated that he believed that the driver would likely ditch the vehicle and flee on foot. MOORE then initiated the emergency lights on his patrol car as the two vehicles came closer to the dead end. The minivan almost immediately came to a stop and both front doors of the minivan came open. MOORE observed the male subject exit from the driver's door of the vehicle with a firearm in his hand, which he described as black and silver in color.

MOORE immediately began to pursue the male subject on foot as he made his way up the front steps of home on Tenth Ave N. MOORE continued to follow the subject as he made his way around the side of the residence and onto the home's porch. MOORE could tell that the subject still had the gun in his hand, which prompted MOORE to draw his firearm and give loud verbal commands for the subject to drop the gun in his hand. MOORE stated that the subject was acting erratically and was unsure if the subject was under the influence of any drugs. While attempting to persuade the subject to drop his gun, MOORE stated that he observed other individuals in the home through windows located on the porch. MOORE stated that he feared that the subject would be able to fire at either him or the individuals in the home which prompted MOORE to climb the steps onto the porch so that he had a better line of sight of the subject and the firearm in his hand.

MOORE stated that after he got onto the porch, he continued to give the subject loud verbal commands to drop the gun. MOORE observed that the subject was sitting against the side of the home with his hand and the gun resting on the ground. MOORE elaborated that he observed the subject's hand on the grip of the gun as it rested on the ground. Despite MOORE giving commands to drop the gun, he stated that he observed the subject begin to pick up and raise the firearm in his hand which prompted MOORE to fire his own weapon at the subject. Immediately after the shooting, MOORE announced shots fired over the radio and used his boot to move the subject's firearm away from his body. Once the firearm was safely away, MOORE then holstered his own firearm and placed the subject into handcuffs.

MOORE continued by saying that other officers on the radio were trying to discern MOORE's exact location so that they could assist him after learning that shots had been fired. MOORE stated that he did not initially announce over the radio what address he had chased the subject to and was unaware at the time what the numerical address of the home was. Due to this, he was forced to step back into the alley between homes and shine his flashlight to alert arriving officers as to where he was at exactly. After alerting other officers to his location, MOORE then ascended the steps back onto the porch and began to render aid to the subject by applying a tourniquet and chest seals to his wounds. After he had applied multiple chest seals, MOORE stated that he began CPR procedures, but then another officer took over shortly thereafter. After being relieved of CPR, MOORE stated that he then separated himself from the scene.

MOORE finished recounting the sequence of events at this time which prompted SA Houk and SA Corbin to begin asking follow-up questions. SA Houk asked MOORE how long he has worked for the Metropolitan Nashville Police Department, to which MOORE replied that he graduated from MNPDP's academy in October of 2023. MOORE stated that he was assigned to MNPDP's central precinct and worked 2nd shift. MOORE confirmed that he was on-duty at the time of the incident, was wearing his department issued uniform, and had his department issued body-worn camera on during the length of the entire call for service. SA Houk confirmed that MOORE was aware that the subject in the carjacking was a male by gathering information from the Uber driver and his passenger. Additionally, MOORE confirmed that the initial officer that located the stolen minivan was driving an unmarked patrol car and had requested a marked patrol car to assist. MOORE explained that he followed behind the stolen minivan for some time, but was not pursuing it as he did not have his lights or sirens activated on his patrol car. MOORE also elaborated that he only had his emergency lights on behind the stolen minivan for approximately five seconds before the male subject fled from the vehicle on foot.

MOORE confirmed that he had never had any contact with the armed subject prior to that day and had never been to the address where the shooting occurred at. MOORE was asked again about the exact elements that led to the shooting. MOORE explained that he was prompted to open fire on the subject when he observed him begin to pick the gun up off the ground and started raising it. MOORE additionally explained that he did so to protect his own life and the lives of the individuals in the home who were standing just on the other side of the porch windows and sliding glass door. MOORE then elaborated that he stopped firing his weapon when he no longer observed the firearm in the subject's hand. MOORE was unable to recall or elaborate on how many bullets he fired from his own firearm during the shooting. MOORE also confirmed that he was the only MNPDP officer following the stolen minivan after a spike strip was utilized on it to deflate a portion of the vehicle's tires. From the time of the shooting until the time another officer arrived on scene, MOORE believed that only about 20 or 30 seconds elapsed.

After being removed from the scene, MOORE confirmed that he did not speak with any other involved or uninvolved parties at or near the address where the shooting occurred. MOORE stated that he has never been involved in an officer-involved shooting prior to this one, and that he has not worked at any other law enforcement agency except the Metropolitan Nashville Police Department. Before ending the interview, SA Corbin asked MOORE whether or not he believed he could have utilized a lower-level force during the encounter. MOORE explained that he was trained to meet a subject's level of force, which in this case was deadly force. Due to this, MOORE stated that he did not believe there was any chance or time to try and utilize other methods of apprehension or de-escalation such as taser, OC spray, or baton. Based upon him being the only officer on scene with an armed subject, he felt that deadly force was his only acceptable option based on the specifics of the situation he was in. The interview was then ended at approximately 11:07 AM.
